ESTATE

Parys Golf Club Corporate Membership

The cry of the fish eagle may take your focus away from the golf, albeit only for a moment. That is, of course, if the comfortable surroundings has not already given you a sense of tranquility, taken in through the serene beauty of your surroundings.

The meandering Vaal River is the perfect framework for the Parys Golf and Country Estate. The river can be seen and heard, from at least 15 of the holes, of these the water may come into play on 11 holes.

Playing a CR 73.3 and slope 135 off the member tees it poses a good challenge for the serious golfer, yet set up for fun if you are new to the sport. Bring your course management mindset along as there are ample bail out opportunities.

Often confirmed by visitors as an excellent, yet challenging, lay out, we continually engage to improve the condition and the aesthetics of the course and amenities. We take all compliments and critique seriously and have recently tested these ideas with Cobie le Grange during his revisit to evaluate his design 10+ years on. Valuable inputs will be assessed and prioritized for continuous improvement.

We have hosted many National Tournaments over the past years as well as Sunshine Tour and Senior Sunshine Tour. Proudly a Championship course.

Our proud greenkeeper has sufficient dynamo to consider and test the newest technology and methods, significant changes have already been introduced to the benefit of our course. Understanding the golfers needs whilst elevating the beauty of the Vaal River is his foremost consideration when setting up the course.

Weekend retreats are welcome, there is a top-class restaurant on site, “born to please” staff and accommodation on the estate. The estate also offers Tennis, Squash, Padel, Spa, Gym, Driving Range, Car wash and freedom of the river to practice your favorite watersports. Known to be a preferred destination for fly fishing rapids, you may even hook a large yellow.

If you have a keen eye for art and enjoy quaint coffee cafes, Parys is the destination for you.
